Nordic Wolves & Pups Grant Application

Minocqua Winter Park & Nordic Center occasionally receives charitable grants to its Trail Fund to provide a limited amount of scholarships for the Nordic Wolves & Pups youth skier development program (as well as other community skier development initiatives). This additional funding enables us to reduce or waive the costs of instruction and equipment rental for area youth.

Skis, boots, and poles are available at a discounted rental fee of $5 per session from the on-site Minocqua Winter Park Ski Shop. The Ski Shop also has a trade-up program for growing youth skiers, and equipment is also available from other area stores and ski swaps.

If you are interested in participating our Nordic Wolves & Pups program but lack the funds to do so, please fill out the application below to be considered for a grant. Since a limited amount of funds are available we will prioritize the recruitment of a larger group of youth over the full-funding of a few individuals. Funding is not guaranteed.
