

2015/2016 SEASON PASSES FOR VOLUNTEERS

Volunteering is a great way to connect with the local skiing community, play outdoors, and reduce the cost of your season pass of choice. You will earn \$7 toward the full cost of any season pass for every hour volunteered (ask about higher rates for specialized labor and LNST members). Many jobs also include free food and other perks! If you'd prefer a different type of reward for your service, please let us know. We look forward to working with you, and we thank you for helping to make MWP the best in Midwest! Simply complete this front page and return it to us. We will contact you regarding volunteer opportunities.

Liability: The purchaser of any season pass purchases and uses it with the understanding that skiing, snowshoeing, ice skating, and snow tubing are hazardous sports; that bare spots, ice, changing conditions, bumps, stumps, rocks, trees and other hazards and obstructions exist in any ski/tube area. In purchasing a pass, the purchaser recognizes such dangers, whether marked or unmarked, and realizes that falls and collisions are common and numerous and that injuries can result; and he/she accepts the hazards of these sports and the danger of injury incident thereto, including negligence and carelessness on the part of fellow skiers and tubers. It is with this understanding that such pass is sold. All passes may be revoked by the management at any time without refund and are non-transferable. **Photography:** With the purchase of a season pass, we reserve the right to photograph people and events for use in printed materials and web sites to promote Minocqua Winter Park without personal consent.
